### Policy Cover

Check your policy documents which include statement of fact, schedule, certificate of insurance and policy document to ensure all drivers and all vehicle uses are covered.

### Looking after your vehicle

Take all reasonable steps to prevent loss or damage. Keep the vehicle in a roadworthy condition and have a valid CVRT certificate. Never leave the vehicle unlocked while unattended or leave the keys in or about the unattended vehicle.

### Claims

You must notify us within 48 hours about any accident or incident which may give rise to a claim. In the event of theft you must notify An Garda Síochána immediately. We will need full information and your assistance throughout the claims process.

### Payment

All amounts including direct debit instalments must be paid on time.

## When and how do I pay?

As Ivernía policies are arranged exclusively through Brokers you can pay for your policy in a number of ways. This can include credit and debit card. It may also be possible to pay the premium due through a direct debit instalment option. You should contact your Broker to discuss the payment options available and make payment directly to them.

## When does the cover start and end?

The usual duration of an Ivernía Van insurance contract is 12 months. The exact period of insurance including start and end date is available on the schedule and certificate of insurance.

## How do I cancel the contract?

You should contact your Broker to cancel the policy. You have the right to cancel the policy within 14 days of inception or renewal without penalty and without giving any reason. This period is known as the 'cooling off' period.

Provided there are no claims we will return any premium paid for the period of insurance left to run. A cancellation charge may apply.
