## No-claims discount

For the purpose of the no-claims discount, 'period of insurance' means one year from the beginning of the policy to the first renewal date, and then each year between renewal dates.

If no claim is made during a period of insurance, we will reduce the renewal premium at the renewal date in line with our no-claims discount scale. You can ask us for details of the no-claims discount scale.

If a claim is made during a period of insurance, your no claims discount may be reduced at the renewal date and we may also load your premium.

You cannot transfer your no-claims discount to anyone else.

## Protection against inflation

To help protect you against inflation we may adjust the sum insured in line with indexes such as the House Building Cost Index prepared by the Department of the Environment and the Durable Household Goods Section of the Consumer Price Index prepared by the Central Statistics Office.

- The adjustments apply to your buildings and contents sum insured but not to any limits that apply.
- If the index falls, your sum insured will stay at the same level.
- When you renew your policy, your premium will be based on the adjusted sum insured.

You should not rely on this inflation protection or index linking alone. We strongly recommend that you review your Sum Insured on an ongoing basis as you are responsible for ensuring that this is adequate for your needs.

## Adequate sums insured

It is your responsibility to ensure your sums insured are adequate. If your sums insured are not adequate you must advise us. For buildings the sum insured should cover the total cost of reinstating the buildings. For contents, valuables and personal belongings the sum insured should cover the cost of replacing all the items as new.

If you do not have sufficient cover for these sections you will not have enough cover in the event of a claim. For example, if the amount you have insured on your policy is equal to 75% of the full value, then you will only receive 75% of any claim.

## Making a claim

If you need to make a claim, the main steps are outlined below. It is important that you also read the claim conditions under section 'Conditions which apply to the whole policy'.

- Check your schedule and policy booklet which tells you what is covered and read the claims conditions under section 'Conditions which apply to the whole policy'.
- Inform the Gardai immediately in the case of theft, attempted theft or malicious damage and get a copy of the Garda report.
- Contact us immediately on the claims 24-hour helpline.
- While we can agree some claims over the phone, we may need to ask you to fill in a claim form and give us further information, or we may want to arrange a visit and inspection.
- You should arrange to have emergency repairs carried out to prevent possible further damage to your property. However, you must not carry out any other repairs or throw away any damaged items. Please refer to the section below to find out how we can help you in an emergency.

If you have a home emergency you can call this helpline at any time and we'll put you in touch with reliable tradespeople (such as a plumber, locksmith, glazier or electrician).

If you pay by instalments, you have agreed to pay the premium on the due date, or dates, as set out in your instalment agreement. If you do not make a payment on time, we can cancel the policy by sending you 10 days' notice by post or e-mail. The refund we pay you will be based on the cancellation rates above. - e if you let your home to tenants or share with lodgers.

If you are not sure whether you should tell us about any change, you should tell us anyway. When you tell us about a change, we may then review your premium and your cover. If you do not tell us about any relevant changes, we may:

- reject or reduce your claim;
- cancel the policy from the date of the change or the last renewal date, whichever is later.

- 6 If the terms of your policy change in any way, we may charge you an administration fee of €25.

## How we settle claims

If your buildings are damaged or destroyed by any cause covered by this section, the following will apply;

- 1 We may pay the cost of work carried out to rebuild, replace or repair your buildings or arrange for your buildings to be rebuilt, replaced or repaired. If we decide to pay a cash amount for the loss or damage, we won't pay more than our suppliers would charge.
- 2 We will take off an amount for wear and tear if the buildings have not been well maintained.
- 3 We will not pay the cost of repairing or restoring any undamaged part of the buildings.
- 4 We will not reduce the sum insured after paying a claim as long as you agree to carry out any recommendations we make to prevent further loss or damage.

The most we will pay will be the sum insured as shown in the schedule (less any excess) and will also depend on any limits shown in the policy. If, at the time of the loss or damage, the sum insured is less than the full rebuilding cost, we may take off an amount to reflect the difference between these amounts. For example, if the sum insured is equal to 80% of the full rebuilding cost, we may pay only 80% of your claim.

If any single event results in a claim under more than one section of the policy, only the highest excess will apply for that event.

If we agree to pay your claim, we may keep a portion of the payment until the repair work is complete. We will not keep more than 5% of the payment for a claim less than €40,000 or more than 10% of the payment for a claim above €40,000. We will consider the work complete when we have reviewed final invoices and carried out a final inspection of the work. The inspection may be carried out by a representative appointed by us.

Once we have settled your claim (less any amount we have kept back), we will agree a date that the reinstatement work should be completed by and the invoices sent to us. If you have not claimed the amount we have kept back after six weeks from the date we settled your claim, we will write to you to remind you of the unclaimed amount and our requirements to release the payment. If you need us to extend the agreed date, you should contact us to let us know. If we do not hear from you before the agreed date, we may close your claim.

## If a company has a mortgage on your home

If you have a mortgage with a company (the mortgagee), their interest in this insurance will not be affected by any act you or anyone living in the property commits which increases the danger of loss or damage if the mortgagee is unaware of the act. However, the mortgagee must contact us immediately if they are aware of any act or neglect and they may have to pay an extra premium.

## Optional extension

### Part C Accidental damage – Contents

This extension only applies if the schedule shows that you have accidental damage cover for contents.

#### Excess

You must pay the excess (the first amount of any claim you make) as shown in the schedule of each claim.

What is covered	What is not covered
We will pay for accidental damage to the contents.	<p><b>a</b> Damage while your home, or any part of it, is lent, let or sublet.</p> <p><b>b</b> Loss or damage which happens during any period when the home is unfurnished or unoccupied for more the 30 days in a row.</p> <p><b>c</b> Damage by wear and tear, atmospheric or climatic conditions, movement, settlement or shrinkage, wet or dry rot, vermin, insects, fungus, electrical or mechanical breakdown or anything which happens gradually.</p> <p><b>d</b> Loss or damage by a cause listed in or specifically excluded by Part A of Section 2 Contents.</p> <p><b>e</b> Damage due to faulty workmanship, materials or design.</p> <p><b>f</b> Demolition of, or structural alteration or structural repair to, your buildings or damage caused by any of these.</p> <p><b>g</b> Damage caused by the process of cleaning, repairing, taking apart, changing or restoring.</p> <p><b>h</b> Damage by chewing, scratching, tearing or fouling by domestic animals.</p> <p><b>i</b> Damage to clothing, contact lenses, stamps, hearing aids, plants, food or drink, money or pedal cycles.</p> <p><b>j</b> Cracked, scratched or broken china, marble, porcelain, glass or other similar brittle items.</p> <p><b>k</b> Lost or corrupted information or programs.</p>

## How we settle claims

If your contents are damaged by any of the causes covered under this section we can:

- replace them as new with an equivalent item; or
- pay an amount to replace the items as new with an equivalent item.

However, for items that can be economically repaired we will pay the cost of repair or, if we decide, we will arrange for their repair.

We will not reduce the sum insured after we pay a claim as long as you agree to carry out any recommendations we make to prevent further loss or damage.

The most we will pay will be each sum insured as shown in the schedule (less any excess) and will also depend on any limits shown in the policy. If at the time of loss or damage the sum insured is less than the cost of replacing all the contents as new, we may take off an amount to reflect the difference between these values. For example, if the sum insured is equal to 80% of the cost of replacing all the contents as new, we may pay only 80% of your claim.

If any single event results in a claim under more than one section of the policy, only the highest excess will apply for that event.

### How we settle claims

When you make a claim for the loss of or damage to any property insured under this section we can choose to:

- replace the item as new with a similar item; or
- pay an amount to replace the item with an equivalent item.

We will not take off an amount for wear and tear as long as the sum insured represents at least the full replacement value of all the property insured.

Where an item is specified in the schedule we will need a valuation or receipt (if you have not already provided one) if you make a claim. The valuation or receipt must be from before the loss or damage and not more than two years old.

The most we will pay will be each sum insured as shown in the schedule (less any excess) and will also depend on any limits shown in the policy.
